Course Mission

The International Society for Exercise Intolerance Research and Education (ISEIRE) invites persons with interest in clinical cardio-pulmonary exercise (CPET) testing to participate in the 10th European Practicum on Clinical Exercise Testing. The aim of this event is to give enough theoretical and practical knowledge for interested individuals to set-up a CPET program in their setting. Participants with CPET experience and research interests get the chance of intense exchange with leaders in the field. Each participant will be given the book "Principles of Exercise Testing and Interpretation - including pathophysiology and clinical applications" by K. Wasserman, J.E. Hansen, D.Y. Sue, W.W. Stringer, B.J. Whipp, Lippincott Williams and Wilkins, publ. 4th edition 2005. This book will be used as the course syllabus and from which much of the course material will come.

Practicum 2007

Hotel information

Climate

Transportation

Collaboration

11th European Practicum on Clinical Exercise Testing

To be held at:
Institute of Sport Science & School of Sport (CONI)
Rome, Italy
October 10-11-12-13 2007

Course Chairman
Paolo Palange, M.D.,
Course Directors
Karlman Wasserman, M.D., Ph.D.
Pier Giuseppe Agostoni, M.D., Ph.D.
Organizing Committee
Paolo Palange, M.D.
Paolo Onorati, M.D.
Pier Giuseppe Agostoni, M.D.

Dates

October 10-11-12-13 2007.

Venue

Institute of Sport Science & School of Sport (CONI).
Largo Giulio Onesti 1, Rome, Italy.

Registration

Deadline for registration:

Participants: limited to 85

For more information and registration, please contact:
paolo.palange@uniroma1.it

How to Register

Participants are given the opportunity to register for the congress and the social event as well as to book hotel accommodation via the same link on this congress home page. Please follow the instructions on the website carefully. For online reservations, payment by credit card is required.

Online Registration

You can also register by sending back the registration form (see PDF file) to the indicated address.

Registration Fees

Euro 900 (vat included)

Payment of Fees

To be advised.

Cancellation/Refund Policy/ Name Changes

Refund of registration fees, less 25% administrative charges, can be applied for in writing until September 18, 2006 to the Administrative Office in Basel. After this date no refund will be possible.

General Remark

The participant acknowledges that he / she has no right to lodge damage claims against the organisers should the holding of the congress be hindered or prevented by political events (such as acts of terrorism, danger of hostility, war, etc.) or by unexpected economic events or generally by force majeure, or should the non-appearance of speakers or other reasons necessitate programme changes. With his / her registration, the participant accepts this proviso.

10 October

8:00 Registration

08:30 Welcome and Course overview

08:45 Physiological Basis of Exercise Performance

09:45 Pathophysiology Limiting Exercise

10:45 Coffee Break and Exhibits

Palange, Wasserman

Whipp

Wasserman

11:15 **Tutorial Sessions**

1. Whipp, Older
2. Riley, Belardinelli
3. Hansen, Guazzi
4. Gitt, Palange
5. Agostoni, Onorati

12:30 Lunch and Exhibits

13:30 Conducting the Clinical Study

Hansen

14:15 Formatting Exercise Test Results

Gitt

14:45 **Practical Laboratory Session**

1. Whipp, Guazzi
2. Riley, Kleber
3. Agostoni, Older
4. Gitt, Onorati
5. Palange, Belardinelli

16:15 Refreshments and Exhibits

16:45 Normal Values in Exercise Testing

Hansen

17:30 General Discussion

11 October

8:30 Differential diagnosis and diagnoses uniquely made by CPET

09:30 Constant work rate tests

10:00 Coffee Break and Exhibits

10:30 Exercise testing in lung diseases: effect of pharmacological interventions

11:00 CPET in the diagnosis of myocardial ischemia

11:30 Risk Stratification in Heart Failure

12:00 Lunch and Exhibits

13:30 Cardiac output and AV O₂ difference

14:00 Lung Function in Heart Failure

14:30 Assessing the effectiveness of pharmacological treatment

15:00 Assessing the effectiveness of rehabilitation and long term non pharmacological treatment

15:30 Refreshments and Exhibits

16:00 Pre-operative evaluation of surgical risk

16:30 CPET in athletes

17:00 **Practical Laboratory Session**

1. Whipp, Guazzi
2. Riley, Onorati
3. Agostoni, Hansen,
4. Gitt, Older
5. Palange, Belardinelli

18:00 General Discussion

12 October

8:30 Response Patterns Characteristic of Specific Pathology

09:30 Clinical cases

10:30 Coffee Break and Exhibits

Hansen

Palange, Belardinelli, Agostoni

11:00 **Tutorial Session**

1. Kleber, Belardinelli
2. Riley, Agostoni
3. Gitt, Older
4. Palange, Guazzi
5. Hansen, Onorati

12:00 Lunch and Exhibits

13:00 **Practical Self-Examination**

14:30 Refreshments

15:00 General Discussion
 Faculty and course attendees

16:30 Concluding Remarks and Certificate Award

13 October

8:30 Discussion Forum on current Research Projects

10:30 Coffee Break and Exhibits

11:00 Discussion Forum on current Research Projects (continued)

12:30 Lunch

14:00 General Membership meeting

16:00 Board Meeting

info

Language

The course language is English. Simultaneous translation will not be provided.

Visa requirements

The organizers will be pleased to send a letter of invitation to any participant requesting one. It is to be understood that such an invitation is intended to help potential participants raise travel funds or obtain a visa. It is not a commitment on the part of the congress to provide any financial support. You may request such a letter from the Administrative Office.

CME accreditation

CME credits will be awarded by the Swiss Pneumologic Society.
